

Welcome to eLibrary Help

GSA eLibrary is your one source for the latest GSA contract award information. GSA eLibrary contains a powerful search engine which allows you to search by keywords, category, contractor name, manufacturer name, contract number, or source number. It aids in the research and identification of contractors offering services and products on Federal Supply Schedules, GWAC contracts, and Network Services and Telecommunications contracts. eLibrary is updated daily to provide you with the most accurate and up-to-date information.

If you require further assistance, please direct all inquiries to GSA.Advantage@gsa.gov or call Customer Service at 1-877-472-3777, option 2.

eLibrary Homepage

The eLibrary home page provides various research methods as well as helpful information and news pertaining to Federal Supply Schedules, Governmentwide Acquisition Contracts (GWACs), and Network Services and Telecommunications contracts.

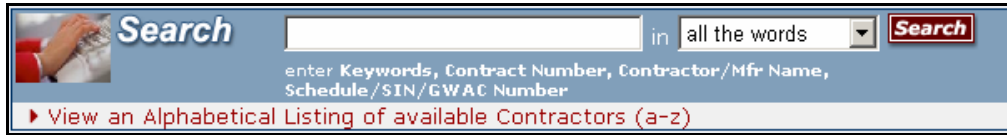

The screenshot displays the GSA eLibrary homepage with a blue header and navigation bar. The main content area is divided into several sections:

- Welcome!** A message stating that GSA eLibrary is the one source for the latest GSA contract award information, offering unparalleled acquisition solutions.
- Search** A search bar with a dropdown menu set to "all the words" and a "Search" button. Below the bar, it says "enter Keywords, Contract Number, Contractor/Mfr Name, Schedule/SIN/GWAC Number" and provides a link to "View an Alphabetical Listing of available Contractors (a-z)".
- Category Guide** A list of categories including Spring/Summer, Furniture & Furnishings, Hospitality, Cleaning, & Chemicals, Laboratory, Scientific, & Medical, Office Solutions, Services, Travel & Transportation Solutions, Disaster Relief, Building & Industrial, Homeland Security, IT Solutions & Electronics, Law Enforcement, Fire, & Security, Recreation & Apparel, Tools, Hardware, & Machinery, Vehicles & Watercraft, and Wildland Fire & Equipment.
- Quick Schedule** A section with a "Go to" dropdown menu and a "Go" button.
- Schedule Contracts** A section describing GSA schedule contracts as direct delivery of millions of state-of-the-art, high-quality commercial supplies and services at volume discount pricing. It includes links to "View schedule contracts", "GSA schedules info", and "VA schedules info".
- Technology Contracts** A section describing GSA technology contracts as covering the whole spectrum of IT solutions, from network services and information assurance to telecommunications and purchase of hardware and software. It includes links to "View technology contracts" and "GSA technology contracts info".
- State and Local Governments** A section with two sub-sections: "Cooperative Purchasing" (Purchase IT products, services, and support equipment from Federal Supply Schedules. Links: "View authorized vendors", "Cooperative Purchase FAQ") and "Disaster Recovery Purchasing" (Purchase products and services to facilitate recovery from a major disaster. Links: "View participating vendors", "Disaster Recovery Purchasing FAQ").
- Get Quotes!** A section with the text "With GSA eBuy, getting quotes is just a click away!" and a link to "Go to eBuy now...".
- News...** A section titled "DOD encourages Maximum Participation in GSA's VETS GWAC!" with a date of April 12, 2007. It states that DOD issued a policy statement encouraging the use of GSA's VETS GWAC, which contains 43 approved SDVOSB contractors. It acknowledges their service as warfighters and appreciates them as entrepreneurs and vendors. The goal is being strongly pursued with vigor. Links: "Learn more about the VETS GWAC." and "Read DOD's policy statement."

At the bottom, a warning message states: "*** WARNING *** This is a U.S. General Services Administration computer system that is 'FOR OFFICIAL USE ONLY.' This system is subject to monitoring. Therefore, no expectation of privacy is to be assumed. Individuals found performing unauthorized activities are subject to disciplinary action including criminal prosecution. Privacy and Security".

Search

Enter Keywords, Schedule, GWAC, or Network Services & Telecommunications Number, Category Title or Number, Contractor/Manufacturer Name, or Contract Number. The results of the search will be displayed on the Search Results Summary.

A search bar interface with a blue header. On the left is a small image of a hand typing. The word "Search" is in large white text. To the right is a text input field, followed by "in" and a dropdown menu currently showing "all the words". A red "Search" button is on the far right. Below the input field, smaller text reads "enter Keywords, Contract Number, Contractor/Mfr Name, Schedule/SIN/GWAC Number". At the bottom, a red link says "View an Alphabetical Listing of available Contractors (a-z)".

Alphabetical Listing of Contractors (a-z)

If you already know the name of the contractor you would like to research, simply click on "View an Alphabetical Listing of available Contractors (a-z)" beneath the search box on the eLibrary home page. You will quickly be taken to an alphabetical listing of all contractors participating in the Federal Supply Schedules, GWAC, or Network Services & Telecommunications programs.

Category Guide

The Category Guide feature helps you find what you are looking for faster and easier. It was designed to resemble a yellow page search to help guide you to available sources. Occasionally, GSA adds specialty/seasonal categories such as "Spring/Summer" or "Wildland Fire & Equipment".

A "Category Guide" interface with a blue header and a small icon. It contains two columns of blue links, each preceded by a right-pointing arrow. The categories listed are: Spring/Summer, Furniture & Furnishings, Hospitality, Cleaning, & Chemicals, Laboratory, Scientific, & Medical, Office Solutions, Services, Travel & Transportation Solutions, Disaster Relief, Building & Industrial, Homeland Security, IT Solutions & Electronics, Law Enforcement, Fire, & Security, Recreation & Apparel, Tools, Hardware, & Machinery, Vehicles & Watercraft, and Wildland Fire & Equipment.

Quick Schedule

The Quick Schedule feature contains all *current* Schedules, GWACs, and Network Services & Telecommunications contracts. Simply select the number from the drop-down list, click "Go," and you will be taken directly to the *Schedule, GWAC, or Network Services & Telecommunications Summary*.

Schedule Contracts

This area is designated to providing helpful information on GSA and VA Schedules. Click "View schedule contracts" to see a list of all Federal Supply Schedules. Click "View GSA schedules info" to learn more basics on the schedules program such as how to get on schedule, how to order from schedules, frequently asked questions, etc. Click "VA schedules info" to view a list of all VA Schedules and a list of VA point of contacts.

Technology Contracts

Technology Contracts include Schedule 70, GWACs, and Network Services and Telecommunications contracts. Click on "View Technology Contracts" to view a listing of all technology contracts.

State and Local Governments

COOP PURCH The Cooperative Purchasing program is enabled via section 211 of the E-Government Act of 2002. It allows for state and local government entities to purchase from GSA Schedule 70, Information Technology, and Consolidated - 00Corp Schedule contracts containing IT SINs. To view participating vendors, click "View authorized vendors". Then select the category which best fits the services you are

looking for to view lists of vendors.

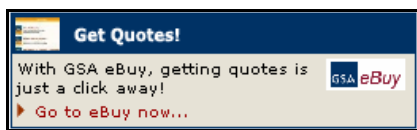

DISAST RECOV Disaster Recovery Purchasing - Section 833 of the National Defense Authorization Act gives state and local governments the ability to purchase products and services facilitating the recovery of a major disaster. Click on "View participating vendors" to find authorized vendors.

eBuy – Get Quotes

Click on "Go to eBuy now..." to request information, find sources, and prepare RFQs/RFPs, online, for millions of services and products offered through GSA's Multiple Award Schedules (MAS), Governmentwide Acquisition Contracts (GWAC), and Network Services and Telecommunications Contracts.

Federal buyers can use eBuy to obtain quotes or proposals for services, large quantity purchases, big ticket items, and purchases with complex requirements.

Search Results Summary

The Search Results Summary is separated into two sections: Description matches, and Contractor/Manufacturer matches.

NOTE: If zero matches are found in the descriptions, eLibrary performs a keyword search in GSA Advantage and displays these results under Keyword matches.

Description Matches

Description matches contain matches found in the Schedule/GWAC/Network Services & Telecommunications titles and descriptions, Category titles and descriptions. The results are sorted by the Source number.

In this example, the user is searching for "paper" which is found in the following descriptions.

Keyword Matches

If zero matches are found in the eLibrary source and category descriptions, eLibrary performs a keyword search in GSA Advantage and displays these results under Keyword matches.

For Example:

If you search for "palm pilot", zero matches are found in the description matches because the words "palm pilot" are not found in Source or Category titles and descriptions. GSA eLibrary then performs a search in GSA Advantage for the keywords "palm pilot" returning Sources and Categories that are likely to supply "palm pilots".

Schedule Summary

The Schedule Summary provides a summary of information available on a schedule.

The screenshot shows the 'Schedule Summary' page. At the top left, contact information for Wanda Johnson is provided. A yellow callout box labeled 'Schedule Contact' points to this information. Below the header, the category '70 GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY EQUIPMENT, SOFTWARE,' is displayed. A yellow callout box labeled 'View Contract Clauses' points to a 'GSA Schedule (FPM)' link. Another yellow callout box labeled 'GSA Contracts Online' points to a 'Federal Buyers...' link with a 'View Contract Clauses' button. A third yellow callout box labeled 'Vendors' points to a 'Click here to view the current solicitation on FedBizOpps' link. A fourth yellow callout box labeled 'View Solicitation' points to the same 'Click here' link. A fifth yellow callout box labeled 'Category List' points to a '70 Category list:' dropdown menu with a 'Go' button. Below the menu is a table with two columns: 'Category' and 'Description'.

GSA Contracts Online

Contracts Online is a webpage that provides customer agencies access to specific contract terms and conditions as well as access to the latest contract clauses contained in MAS solicitations.

GSA and DOD have been working on a collaborative effort to ensure proper use of MAS contracting vehicles in an effort to help agencies "get it right" when purchasing products and services.

Use Adobe Acrobat Reader to read Portable Document Format (PDF) files. This link is a non-government source and GSA does not endorse this product; it is listed for the convenience of our visitors. Address questions about the particular file viewer to the respective vendor.

Schedule Details

When a Schedule category is selected in eLibrary, a list of available contractors for that category will be displayed.

The screenshot shows the GSA eLibrary interface for a specific schedule category. Annotations highlight key features:

- Schedule Contact:** A button for general questions, contact: National Furniture Center, Phone: (703) 905-7000, E-mail: express.desk@gsa.gov.
- Need a Quote? Create an RFQ in e-Buy:** A button to create an RFQ.
- Need a quote from these vendors? Click Here to try GSA e-Buy:** A button to try GSA e-Buy.
- A-Z Navigation:** A button to navigate by category.

eBuy – Need a Quote from these Contractors

If you are interested in creating a request for quote (RFQ) under the listed SIN, click on this link and you will be forwarded to GSA e-Buy! E-Buy is an electronic request for quote (RFQ) system designed to provide federal buyers with a tool to prepare RFQs online for services and products offered through the Federal Supply Schedules Program. RFQs are sent directly to Schedule contractors who will have an opportunity to respond by offering online quotes for the specified services/products under the RFQ.

Clicking the eBuy image will take you from eLibrary to eBuy. If you are not already logged-in, you will be prompted to enter your eBuy user id and password (NOTE: Use your GSA Advantage user id and password). If you do not have an eBuy/Advantage password, select "Register for a User ID and Password" below the login area on the eBuy homepage.

NOTE: Some of the vendors listed in eLibrary do not participate in GSA eBuy and therefore will not transfer over to the eBuy system. We apologize for this inconvenience. We are working to get full participation from all Schedule vendors.

A-Z Navigation

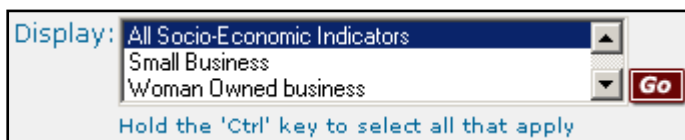

If the SIN contains a large number of contractors, an A-Z navigation bar will appear. Clicking on a letter displays all contractors beginning with that letter.

Download all contractors for this Category (Excel)

If you would like to download all the contractors for a specific category (SIN), click on the link, "Download all contractors for this Category (Excel)". All download files are now formatted in Excel.

Socio-Economic Indicators

The socio-economic indicators signify the business size and the socio-economic status associated with the contractor at the time of contract award. Select an indicator(s) from the scroll box to refine the list of contractors. Only relevant indicators will be available in the scroll box. For example, if there are zero 8(a) contractors under the SIN, 8(a) *will not* appear in the scroll box.

Selecting Indicators

Refine the contractor listing simply by selecting a socio-economic indicator from the scroll box and click the "Go"

button. To select multiple socio-economic indicators, hold down the "CTRL" key while clicking the indicator. GSA eLibrary uses **"and"** logic when multiple socio-economic

indicators are selected - only contractors with *all* the business indicators you select will be displayed.

To Reset the Listing

To reset the listing of contractors, select "All Socio-Economic Indicators" and click "Go". This will re-display the complete listing of contractors awarded under the schedule category, regardless of socio-economic indicator.

Schedule Details Table Definitions

Contract Terms and Conditions: Click on  to open a contractor's text file. This file is supplied by the contractor and usually contains contract terms and conditions, price lists, and information about the company.

View Items Available: If the contractor has products/services available on GSA *Advantage* for online ordering, a GSA *Advantage* icon  will be displayed. By clicking on the image, you will execute a search against GSA Advantage for all items provided by the contractor. You may order using a government-wide commercial purchase card or GSA AAC/DODAAC account.

Technology Contracts

GSA technology contracts cover the whole spectrum of IT solutions, from network services and information assurance to telecommunications and purchase of hardware and software. Technology Contracts include Schedule 70, GWACs, and Network Services & Telecommunications contracts.

NOTE: Schedule 70 is included under Technology Contracts because it is associated with technology. It is not considered a GWAC or Network Services & Telecommunications contract.

GWACs

Governmentwide Acquisition Contracts (GWACs) are task order or delivery order contracts for information technology (IT). These contract vehicles provide high quality, state-of-the-art, total integrated solutions for your IT requirements.

GWACs have competition requirements that differ from MAS contracts and a delegation of authority is required prior to their use. Each GWAC is operated by an executive agent designated by the Office of Management and Budget (OMB) pursuant to section 5112(e) of the Clinger-Cohen Act. GSA has established three GWAC Centers: Enterprise GWAC Center, IT GWAC Center, and the Small Business GWAC Center.

Click here for the [Governmentwide Acquisition Contracts \(GWACs\) Overview](#).

Solutions-Based GWACs

Hardware, software, and services may be purchased through GWACs as part of a total technology solution. Task orders placed against GWACs may be customized to meet the full range of IT service solutions, including, but not limited to:

- Service/product integration;
- Systems integration;
- Systems operation and management;
- Software engineering management;
- Communications;
- Information systems engineering;
- Information systems security services;
- Network/management telecommunications; and
- Web enabled solutions.

Specialty GWACs

Some of our GWACs encompass specific areas of expertise such as facilitating secure electronic access to government information and services through the use of PKI and digital signature technology or providing data processing and support services, allowing agencies to outsource their data center operations and focus on their core missions.

Network Services and Telecommunications Contracts

Network Services and Telecommunications Contracts are different from Governmentwide Acquisition Contracts. They are considered other Indefinite-Delivery/Indefinite-Quantity (IDIQ) Contracts. Click on "View Technology Contracts" from the eLibrary homepage. Then scroll down to view the Network Services and Telecommunications Contracts.

What is an IDIQ Contract?

An IDIQ contract is a task-order or delivery-order contract that provides for an indefinite-delivery/indefinite-quantity of supplies or services within stated limits, during a fixed period.

Only warranted Contracting Officers for a Federal Agency; an authorized user under GSA Order ADM 4800.2E as revised; or an authorized user approved by GSA under FAR 51.102 may place orders. Each contract has a pre-qualified pool of contractors which must be given fair consideration in accordance with FAR 16.505(9)(b). You may not compete MAS contracts and GWACs with these contracts.

Example – SATCOM II

SATCOM II contracts offer Multiple Award Indefinite Delivery/Indefinite Quantity Fixed Price contracts with a full range of end-to-end satellite solutions for Government Agencies and other authorized users. SATCOM II includes service continuity, competitive pricing, continuous competition, full range of commercial offerings, flexible commercial ordering and billing options and service quality. Contracts can be easily modified to add technological enhancements. The period of performance is 5 years. There are no separate fees--contractor pricing includes the 2 percent GSA Management Fee.

Technology Contract Summary

Technology Contracts are either GWACs or Network Services & Telecommunications contracts. The summary pages for these technology contracts are very similar to Schedule Summaries with only a few differences.

Included in a technology contract summary is a point of contact for general questions, a link to view terms and conditions, and of course a list of categories for the GWAC or Network Services & Telecommunications contract.

The screenshot shows a web page titled "Network Services & Telecommunications Summary". It includes contact information for James Russo and Jim Brown. A yellow arrow labeled "Contact" points to the contact details for Jim Brown. Below this, there is a section for "GWAC Summary" with a link to "View Terms and Conditions". A yellow arrow labeled "View Terms and Conditions" points to this link. Further down, there is a "MILITE category list" with a dropdown menu and a "Go" button. A yellow arrow labeled "Category List" points to the dropdown menu. The page also features a table with columns for "Category" and "Description".

Technology Contract Details

When a GWAC or Network Services & Telecommunications category is selected in eLibrary, a list of available contractors for that category will be displayed on the Details page as shown below.

NOTE: GWAC and Network Services & Telecommunications Details pages are very similar to Schedule Details pages.

On the Details page, find a point of contact for general questions, a list of category contractors and their associated contract #, phone #, city/state info and their socio-economic factors. In addition, use the scroll box to refine the contractor listing simply by selecting a socio-economic indicator/business type. If you would like to view more information on a contractor, click on the contractor name.

Download

If you would like to download all the contractors for a GWAC or Network Services & Telecommunications category, click on the link, "Download all contractors for this Category (Excel)".

The screenshot shows the 'Network Services & Telecommunications Details' page. It includes contact information for Jim Russo and Jim Brown. A 'Contact' button points to the contact details. A 'Category Contractors' button points to the contractor list. A 'Select a business type to refine the list' button points to the 'Display' dropdown menu. The contractor list is shown below.

Contractor	Contract #	Phone	(Sort by) City, State	Socio- Economic
AAA SPORT SYSTEMS, INC	GS-35F-0519K	(805)682-8009	CAMBRIDGE, MI	s/b
BENTLEY PRINCE STREET, INC	GS-35F-0315K	(887)252-6447	WASHINGTON, DC	s/b

Contractor Information

The *Contractor Information* page provides information about the contractor and the contract selected. If the contractor has additional Schedule, GWAC, or Network Services & Telecommunications contracts, they will also be listed.

The screenshot shows the 'Contractor Information' page. At the top, there is a search bar with a dropdown menu set to 'all the words' and a 'Go' button. Below this, there are two yellow callout boxes: 'Select a contract # to view information specific to that contract #' pointing to a dropdown menu showing 'GS-00F-0000M', and 'Vendors: Change your Company Information' pointing to a link '(Vendors) How to change your company information'. The main section displays contractor details: Contract # (GS-00F-0000M), Contractor (COMPANY), Address (11 CAR AVENUE, SOUTH MILWAUKEE, WI 5317), Phone ((414)414-7126), E-Mail (aclanier@rcm.com), and Web Address (http://www. M.com/gov). To the right, 'Socio-Economic' indicators are listed: Small business and Women Owned business. Below this, a 'Contracting Officer' section lists: Govt. Contracting Officer: BRENDA M. MCCALL, Phone: 817-978-0201, E-Mail: brenda.mccall@gsa.gov. A yellow callout box 'Socio-Economic Indicators' points to this section. Below the contractor details is a table of contracts. The first row is highlighted: Source 36, Title THE OFFICE, IMAGING AND DOCUMENT SOLUTION, Contract Number GS-00F-0000M, Contract Terms & Conditions (icon), Contract End Date May 6, 2007, Category 132 12, and View Items Available (links: GSA Advantage!, FURCH, RECOV). A yellow callout box 'Additional contracts held by this contractor' points to a section below the table. This section contains a table with the following data: Source 56, Title BUILDINGS AND BUILDING MATERIALS/INDUSTRIAL SERVICES AND SUPPLIES, Contract Number GS-07F-7000C, Contract Terms & Conditions (icon), Contract End Date Mar 31, 2009, Category 563 15, and View Items Available (link: GSA Advantage!).

How to change your company information (*Contractors only*)

eLibrary displays the current information GSA has recorded for your company. If any of the information is incorrect, please follow the appropriate correction procedures below:

Correct Your Address

The name and address displayed on eLibrary reflects the information recorded on the Central Contractor Registration (CCR). GSA receives an extract from the CCR each day. It takes approximately 24-48 hours for GSA to receive a change once it has been recorded in the CCR. After GSA receives the updated information, your Gov't Contracting Officer must review and approve the changes before they will be displayed in eLibrary.

If your name or address is incorrect on eLibrary, you must:

1. Correct the information on the CCR. Visit the CCR website <http://www.ccr.gov/> or call the CCR Assistance Center at 888-227-2423 or 269-961-4725. Available 24 hours, 7 days a week.
2. Notify your Gov't Contracting Officer of the changes.

Correct Your Telephone Number

Notify your Gov't Contracting Officer of the new telephone number.

Correct Your e-mail or Web Address

The e-mail and Web address shown on eLibrary comes from one of two possible sources:

1. Your GSA Advantage catalog file. If your catalog is on GSA Advantage, you must submit a catalog file update to correct the e-mail or Web address.
2. GSA's legacy system. If your catalog is not yet available on GSA Advantage, notify your Gov't Contracting Officer of the changes.

NOTE: GWAC contractors are not on GSA Advantage.
